2. I accept that in order to comply with regulatory obligations, IFGL Pensions and my current scheme provider(s) named in this application may need to verify my identity and residential address, and may use credit reference agency searches and ask for my documents to verify my identity and address.

4. When payment is made to the Scheme Trustee as instructed, this means that I shall no longer be entitled to receive pension benefits from the whole of the scheme(s) listed in this application where the whole of the scheme(s) is transferring, or that part of the scheme(s) represented by the payment(s) if only part of the scheme(s) is transferring.

INVESTMENT OBJECTIVES

The investment objective of the SIPP is to accumulate a trust fund from which to provide benefits in retirement. Investment restrictions apply; for full details please refer to the Investment Guidelines of the Inspire SIPP. The following information is required to assist IFGL Pensions in determining your preferred investment strategy.

Please tick the relevant box:

- I am very uncomfortable with any risk and accept that my capital may be eroded by inflation.
- I am prepared to take a small amount of risk to provide for the potential for growth over the medium to longer term.
- I am comfortable with risk and prepared to take a longer-term view. This may mean the overall portfolio value fluctuates over the medium term, however provides for the potential for growth over the portfolio over the long term.
- I am very comfortable with risk and willing to accept volatility in the portfolio value in order to provide for the potential for higher returns over the long term.

Applicants are reminded that past performance shall not necessarily be a guide to future performance and that the value of investments can go down as well as up. The value of investments denominated in foreign currencies may be influenced by changes in exchange rates.

INVESTMENT RISK PROFILE

Please tick the box that applies to you:

- Lower Risk**
People in this category are conservative with their investments. They prefer taking a small amount of risk to achieve modest or relatively stable returns. They accept that there may be some short term periods of fluctuation in value.
- Lower to Medium Risk**
People in this category are relatively cautious with their investments. They want to try to achieve a reasonable return, and are prepared to accept some risk in doing so. Typically these portfolios will exhibit relatively modest yet frequent fluctuations in value.
- Medium Risk**
People in this category are balanced in their attitude towards risk. They do not seek risky investments but do not avoid them either. They are prepared to accept fluctuations in the value of their investment to try and achieve better long term returns. These portfolios will be subject to frequent and at times significant fluctuations in value.
- Medium to High Risk**
People in this category are relatively comfortable with investment risk. They aim for higher long term returns and understand that this can also mean some sustained periods of poorer performance. They are prepared to accept significant fluctuation in value to try and achieve better long term returns.
- High Risk**
People in this category are very comfortable with investment risk. They aim for high long term investment returns and do not overly worry about periods of poorer performance in the short to medium term. Ordinarily these portfolios can be subject to the full extent and frequency of stock market fluctuations.

INVESTMENTS

You must indicate your investment preferences by detailing the selected investment provider and the investment product or service:

CANCELLATION RIGHTS

An applicant has a legal right to cancel their SIPP application within 30 days of the establishment of the SIPP. The SIPP is deemed to be established at the date of signature of the Declaration in the Application Form. If the applicant decides, for any reason, to cancel their application within this period IFGL Pensions will return all fees. Upon receipt of the Application Form IFGL Pensions will write to the applicant reminding them of this right and when this 30 day period starts and ends.

Because of the legal right to cancel an application, IFGL Pensions will not open any bank account, accept any contribution, start processing any proposed transfers into the SIPP nor act on any investment instruction until this 30 day cancellation period has expired. This is because IFGL Pensions will not undertake work if IFGL Pensions has no certainty of being paid for that work.

WAIVING CANCELLATION RIGHTS

If an applicant wishes IFGL Pensions to proceed with the establishment of the SIPP before this 30 day period expires there is an option to waive the right to cancel. The applicant can confirm they want to waive the 30 day cancellation rights by signifying this in the declaration at the end of the Application Form. Alternatively this may be done by writing at any time before the 30 day cancellation period expires.

I confirm that (please tick the box that applies):

I wish to waive my right to cancel my application within 30 days of my SIPP being established. I have read and understood the section above.

OR

I do not wish to waive my right to cancel my application within 30 days of my SIPP being established.

APPLICANT DECLARATION

Please read the following Declaration carefully before signing at the foot of the section. This is IFGL Pensions' standard agreement upon which it intends to rely. For your own benefit and protection, you should read this Declaration carefully before agreeing and signing it. If you do not understand any point, please refer to your appointed financial adviser for guidance.

Note: Your SIPP cannot be established until IFGL Pensions has received a fully completed and signed Application Form including all supporting documentation to carry out due diligence and anti-money laundering checks as required. This includes all identity and address verification evidence, suitably certified with the correct wording where applicable. Once all documentation is satisfactorily received, IFGL Pensions will process the application and the SIPP will be established.

I hereby declare and acknowledge as follows:

1. I apply to become a member of the Inspire SIPP and if accepted agree to be bound by the Trust Deed and Rules of the MW SIPP 2 and the Terms and Conditions of the Scheme. I understand that if I wish to inspect the Trust Deed and Rules a copy will be forwarded to me by the scheme administrator upon my request.
2. I confirm that I have been provided with, read, understood and will comply with the Terms and Conditions, the Key Features and the Investment Guidelines and I am fully aware of all risk warnings contained in those documents. I confirm that IFGL Pensions has not provided any advice in respect of the establishment of the SIPP or the investments therein and that it remains my responsibility to seek advice from a suitably authorised and regulated adviser.
3. I confirm that I have read and understood my right to cancel my application within 30 days of the establishment of my SIPP and have indicated whether I waive this right on page 16 of this Application Form.
4. I have been informed that the Inspire SIPP is a product name of the MW SIPP 2 Scheme and understand that MW SIPP 2 is registered with HMRC as a registered pension scheme under the terms of the Finance Act 2004, as amended, for the purposes of providing retirement benefits to members and their dependants by way of lump sum and pension income.
5. I understand that IFGL Pensions is the scheme administrator and that MW SIPP Trustees Limited is the trustee of MW SIPP 2.
6. I confirm that I have received independent advice from a suitably authorised and regulated adviser. Where any of my existing pension funds contain safeguarded benefits, guarantees or protections I have received advice from a firm permitted by the FCA to advise on pension transfers which has included consideration of the scheme, my personal circumstances, the assets in which my pension funds will be invested, associated risks and all costs and charges. I understand that a transfer from my existing schemes will mean giving up any safeguarded benefits, guarantees or protections granted to me under those schemes and I confirm that having considered and understood that advice I wish to proceed with my pension transfer. I consent to the transfer of any pension fund described above to the scheme administrator to be administered under the scheme.
7. I understand that the scheme administrator and trustee may use the services of its associated companies to collate information and documentation relating to my participation in the scheme and any person or company providing professional services. I consent to my personal information and data being supplied to associated companies for such purposes and to third parties in connection with investments under the scheme if and when necessary or required for regulatory purposes.
8. I confirm that I shall notify IFGL Pensions if in any scheme year I am, or not, or cease to be, a 'relevant UK individual' and I shall do this within 30 days of the occurrence of the event or before the end of the tax year in which the event occurs if an earlier date.
9. I will, upon request, make full disclosure in writing of any benefits I have received, may receive, or may be entitled to receive, from any other pension plan.
10. I am aware that IFGL Pensions may at any time disclose any information concerning the scheme, member or any benefits payable under the scheme to any tax authority, regulatory or governmental body for any purposes, and may also provide any tax authority, regulatory or governmental body with such undertakings as IFGL Pensions considers necessary for the purposes of the scheme.
11. I accept responsibility for the payment of any fees due in accordance with the Fee Schedule (as amended from time to time). I understand that I must ensure that there is always sufficient cash in my SIPP to meet fees due, and I will maintain a minimum cash balance of 1.5% of the pension fund (minimum cap of £2,000 and maximum cap of £8,000). I understand the action that will be taken, as detailed in the Terms and Conditions of the Scheme, if there is insufficient cash in my SIPP to meet any fees due.

APPLICANT DECLARATION (CONTINUED)

12. I understand that it is the responsibility of my appointed financial adviser and, where applicable, my appointed investment adviser, to disclose all their fees including all remuneration earned by either or both of them in respect of my SIPP and the investments contained therein.
13. I agree that IFGL Pensions may set up banking facilities for my SIPP with an appropriate bank, as required. I agree that the sole signatory on such banking arrangements will be MW SIPP Trustees Limited and I hereby authorise MW SIPP Trustees Limited to establish such an account.
14. I confirm that I have understood and agreed to the investment recommendations provided to me by my appointed financial or investment adviser or both. I understand that my appointed financial or investment adviser or both, will make investment recommendations in line with my stated risk profile.
15. I authorise IFGL Pensions to accept investment and other instructions from my appointed financial or investment adviser or both as detailed on pages 5-7. I agree that copies of any documents relating to my SIPP, including investment valuations and the Financial Adviser's Declaration, may be forwarded to my appointed financial or investment adviser or both. I authorise IFGL Pensions to act upon instructions received from me or from my appointed financial or investment adviser or both if so mandated.
16. I hereby authorise IFGL Pensions to communicate by email using the email address given in page 3 or such alternative email address that I may notify IFGL Pensions in writing from time to time. I understand and acknowledge the risks of using email as a means of communication and confirm that IFGL Pensions shall not be required to verify the authenticity of instructions received by email which may be acted upon by IFGL Pensions in good faith. I undertake to indemnify IFGL Pensions at all times against all actions, suits, proceedings, claims, demands, costs, charges, expenses and consequences whatsoever arising by reason of the trustee and myself communicating by email.
17. I consent to information relating to me and my nominated beneficiaries (including information that may constitute personal data for the purposes of any data protection legislation) being disclosed to the IFGL and any associated company within IFGL or to banks, financial advisers, regulated financial institutions, any governmental or tax authority or to any person or entity to whom any company within the IFGL is under a legal obligation to make disclosures, within any jurisdiction inside or outside the European Economic Area. I understand that I can access a full copy of the IFGL's Privacy Policy here <https://www.ifglpensions.com/privacy>.
